

Plant 2 million trees by 2020.

We are going to collect 2 million € to plant 2 million trees.

Roadmap

1. Gather a team of 200 tree ambassadors in the world, one ambssador per city.
2. Design marketing tools for this action.
3. Contact people, companies and administrations.
4. Use the [EverGreenCoin](#), [Byteball](#) or [Steemit](#) wallets to transfer funds.
5. Plant the trees with Kedjom-keku and other ngos

You can become a tree ambassador for your company or for your city, it is up to you. Register by replying to this post.

Follow the advancement of the program on the Ventureo wiki:
