

Altruistic

Altruistic is a community on steemit where steemians can come together and share there experience for others to grow especially for the new steemians who are yet to stand on their feet. Altruistic is working to make new steemians feel free to speak with veteran Steemians.

She will be doing curation work which will be on quality undervalued posts of steemians which will be done on a daily basis.

Altruistic have a community account: @altruisticbot. Anyone can support the community. There are other projects that are coming on the way and it will be passed across in due time.

You can join us on our discord channel to support this project in any way you can. Discord link:
