

## Sand box

This is a page to learn how to edit/modify this wiki ! Do not hesitate to try, it is safe ! After a first editing, modification, you need to learn some basic editing functions to add a page or to add a link. All the doc is on <https://www.dokuwiki.org/dokuwiki>

Click on the dokuwiki editor button to start editing ( the second button on list, on the right of the screen) Use double brackets around a word [to add a page](#)

Try it it is funny !

<http://frama.wiki> is a French organization which is proposing already installed dokuwiki as an opensource service.
