

English-French

If you are an entrepreneur or a non profit you can get 100,000 Ventureo to develop your project. It is an unconditional basic income for organizations.

Ventureo is a specific cryptocurrency for associations and startups

- [What is a cryptocurrency ?](#)
- [Why change money ?](#)
- [How can this currency be useful for my association ?](#)

To get this initial funding, you have to :

- Open a Steemit account
- Introduce your project on [Steemit](#)
- Have 30 people to upvote your project
- Post a presentation of your company on the Ventureo wiki
- Open a Openledger/Bitshare account using [my referral link](#)
- Accept to sold goods and services to other Ventureo organizations listed on the wiki
- Engage yourself not to sold 1 Ventureo for less than 1 Bts on the Bitshares DEX.
- Engage yourself to post a promotional post about Ventureo on a social media.
- Enter you Steemit presentation in one of the montly business idea post published on Steemit by @chrisaiki

It is that simple !

10 billion Ventureo are available for 100,000 organizations. <http://ventureo.solutions>
